

§ 1960.84

Labor will review the annual agency self-evaluation summary report. The Secretary will then develop a program evaluation plan before the initiation of an agency evaluation. A copy of the plan shall be furnished to the agency to be evaluated at the time of the notification of the evaluation.

(d) To facilitate the evaluation process and to insure full understanding of the procedures to be followed and the support required from the agency, the Secretary, or the Secretary's representative, shall conduct an opening conference with the agency head or designee. At the opening conference, the Secretary's authority and evaluation plan will be explained.

(e) The agency evaluation should be completed within 90 calendar days of the date of the opening conference.

(f) A report of the evaluation shall be submitted to the agency head by the Secretary within 90 calendar days from the date of the closing conference.

(g) Agency heads shall respond to the evaluation report within 60 calendar days of receipt of the report.

Subpart K—Field Federal Safety and Health Councils

§ 1960.84 Purpose.

(a) Executive Order 12196 provides that the Secretary shall "facilitate the exchange of ideas and information throughout the Government about occupational safety and health."

(b) Consistent with this objective, the Secretary will continue to sponsor and/or provide guidance for those Field Federal Safety and Health Councils now established and in operation, and establish new field councils as necessary. The field councils will consist primarily of qualified representatives of local area Federal field activities whose duties pertain to occupational safety and health, and also of representatives of recognized local labor organizations, or other civilian employee organizations, at local area Federal field activities. For the purpose of this subpart the definition of field activity will be provided by each agency.

29 CFR Ch. XVII (7–1–12 Edition)

§ 1960.85 Role of the Secretary.

(a) The Secretary shall maintain liaison with agency heads to ensure that they encourage their field activities to participate actively in field council programs. To ensure maximum participation, the field councils' annual reports to the Secretary shall provide descriptions of the degree of management and employee participation by the defined Federal field activities. The Secretary shall annually furnish each agency head with a report consolidating the information received as to the participation of the agency's several field installations in field council activities.

(b) The Secretary shall provide leadership and guidance and make available necessary equipment, supplies, and staff services to the Field Federal Safety and Health Councils to assist them in carrying out their responsibilities. The Secretary shall also provide consultative and technical services to field councils. These services shall involve aid in any phase of developing and planning programs; and in sponsoring, conducting or supporting safety and health training courses.

§ 1960.86 Establishing councils.

(a) Those field councils established and in operation prior to the effective date of this subpart will continue to function without interruption provided they are operating in accordance with the provision of their charter and this subpart.

(b) The Secretary may establish a council in any area where ten or more Federal establishments totaling 300 or more employees are located within an area having a radius of 50 miles, and there is substantial agreement among the agencies that such a council would be useful. In any such area where there is no council already established, a field representative of the Secretary may, upon his own initiative or at the request of any establishment within the area, contact representatives of all establishments within the area and encourage the organization of a field council.

(c) After a new council has been organized, officers elected, and articles of organization drafted and accepted by
